

Editorial Policy

1. PURPOSE

This document sets out the editorial policy for the Beetham Parish Council's website (<https://www.beetham-pc.gov.uk>). The objective of this policy is to ensure that the website maintains a high standard of accurate and relevant information for parishioners and others accessing the site.

2. WEBSITE

The Beetham Parish Council's website is not a commercial venture: the costs of hosting are covered by the Parish Council.

The main aims of the website are to:

- Publicise the work of Beetham Parish Council to its parishioners
- Publish the information required to comply with the Transparency Code.

The Parish Council will, within the limited resources available, continue to improve the website so that it provides a useful source of up-to-date information for parishioners. The parish council welcomes constructive comments, both positive and critical.
